# WHAT'S THAT SMELL?

No, it's not garbage. Before you scratch your way right through the paper you should know that the only aroma here is the scent of a great money-making idea for your Oly distributorship . . .

## OLY KEG COOLERS

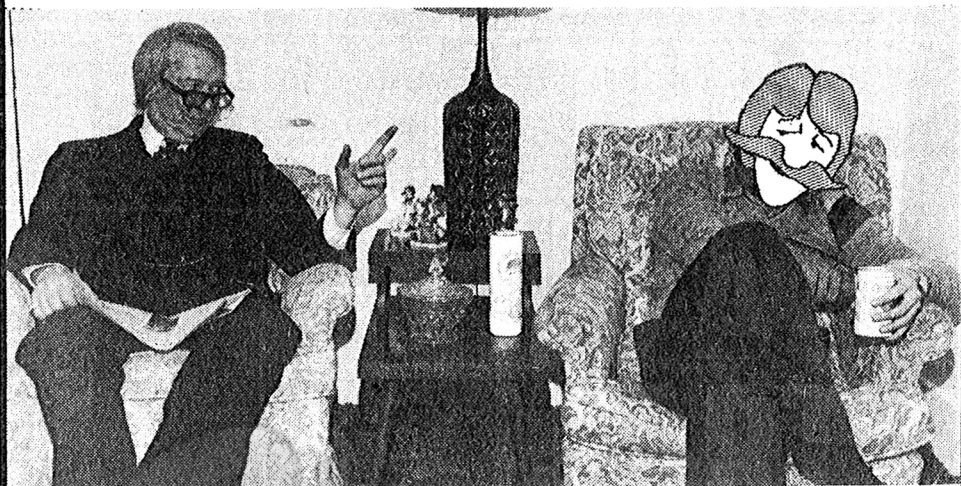

Yep! No Oly keg is complete without an OLY KEG COOLER to keep it cool. And here's why:

- **NAME IDENTIFICATION** — All kegs look alike but with these classy bright yellow **OLY KEG COOLERS** everyone at the party will be sure to know what brew they're enjoying.
- **PRACTICALITY** — No more rusty drums to slice yourself up with. Each **OLY KEG COOLER** comes with built-in reinforced handles and a detachable five-wheel dolly for easy maneuvering. And its thick, one-piece construction means excellent insulation and easy clean-up, too.
- **MONEY** — Liquor stores will love to buy them. Plus, you can rent or sell them with each order to private organizations (no fraternity should be without). Remember, with that big Oly label, once it is sold, it keeps right on selling.
- **DURABILITY** — Made by RUBBERMAID . . . what more needs to be said? These tough Dur-X resin containers were *designed* for industrial refuse. They can take what any keg can dish out . . . over and over and over . . .

So, use the handy order form on the other side and stock up a snoot-full of these **OLY KEG COOLERS** today.

# **College Progress Report**

**(or easy answers for the folks back home)**

- ... "Yes Dad, mid-terms went okay."
- ... "Ah, yeah Dad, my grades will be back up this semester don't worry."
- ... "No, not too much partying, just an occasional Saturday night."
- ... "Money? Funny you should mention it. Back at school JASON'S is having a big sale on all their spring suits—25% OFF, what a savings! A college kid like me could sure use a new suit."

# MERRY CHRISTMAS

FROM **RALPH**

RON  
WHEELER

The purpose of the UNL Soccer Club is to promote the growth of the game in the University and Lincoln communities, to provide access for enjoyment of the sport through competition, and to represent Nebraska in the Big 8 Soccer Tournament every spring.

This year the club received no financial support from the University. Therefore, the players have to pay all operating expenses.

Many thanks to Olympia beer and Beyer Distributing Company for their \$50 donation, which enabled us to buy liability insurance, travel insurance for away games, and partially paid the officials for one of our home games.

This printed program was only made possible through the facilities available at the University Department of Recreation and Intramurals.
